

Meet Me There Halfway

Intro) A D A D

1)                   A                   D                   A D  
 Gonna Drive Somewhere; down the road  
                   A                   D                   A D  
 Have you with me here; on our own

Break) A D A D

2)                   A                   D                   A D  
 Margaret Says; she's alright  
                   A                   D                   A D  
 As we ride along; in the night  
 Em    A                   Bm   G

Chorus) Let's take it day by day  
 Em   A                   Bm   D  
 And meet me there halfway

Break) A D A D

3)                   A                   D                   A D  
 You Don't Love Me Yet; is that true?  
                   A                   D                   A D  
 That's not what I get; watching you

Break) A D A D

4)                   A                   D                   A D  
 There's a Family; on the way  
                   A                   D                   A D  
 I can see it now; clear as day  
 Em    A                   Bm   G

Chorus) You say take it day by day  
 Em    A                   Bm   D  
 And you'll meet me there halfway  
 A   G

Bridge) Take out Mary Jane; light her up again  
 Bm   G  
 How can I be sure? Help me understand  
                   D    A    G

Are you high on me?  
 Em    A                   Bm   G  
 Chorus) Let's take it day by day  
 Em   A                   Bm   D  
 And meet me there halfway  
 Em   A                   Bm

Outro) And meet me there halfway
