Town of David (Merry Christmas)

```
Intro)     E

           E
1)         In a manger
               A               B            E
           As another sun went down in Bethlehem
           E
           Laid the Savior
                A               B               E
           Little did they know that he had come for them
               A          F#m        E
Chorus)    Merry Christmas, Merry Christmas, to you
                 A            F#m         E
           Town of David, you were chosen, to renew
           E
2)         There were strangers
                 A               B                E
           Looking out of place but no one knew just why
           E
           At the manger
                  A               B             E
           You could hear them softly sing this lullaby
               A          F#m        E
Chorus)    Merry Christmas, Merry Christmas, to you
                 A            F#m         E
           Town of David, you were chosen, to renew
           C#m            A
Bridge)    Mary, could you tell?
           F#m                     E
           As you traveled day by day
               C#m           A
           You carried Immanuel
           F#m                   E
           So he'd carry us one day
           E
3)         Now the shepherds
                 A           B             E
           Heard exactly what the night was all about
           E
           All together
                  A            B            E
           They were witness to the rising of the crown
```

Town of David (Merry Christmas)- cont'd

```
              A                    F#m              E
Chorus)    Merry Christmas, Merry Christmas, to you
                A                  F#m              E
           Town of David, you were chosen, to renew
                A                F#m                E
Outro)      Little savior, Merry Christmas, to you
```
